Subject: Modified clearance of the project proposal under PMGSY-II, submitted by the State Government of **Haryana**.

Sir,

I am directed to refer to State Government's compliance report against para 3 of the Clearance letter dated 9.1.2014 and request thereby to drop 2 road works which were not recommended by the NQM and to say that there is a partial modification in earlier Clearance letter of even no. dated 9th January, 2014 and now the project clearance would be as under:

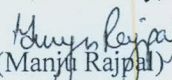

Projects under PMGSY-II, 2013-14

Item	Roads	Bridges	Total
Value in Crores	877.93	39.52	917.45
No. of roads	83	18	83 Roads & 18 Bridges
Length in Km	989.32	653.20	989.32 km & 653.20m
Average cost lakh per km/m	88.74	6.0 lakh	-
MoRD Share (in crores)	623.03	28.48	651.51
State Share (in crores)	254.90	11.04	265.94

2. Other observations mentioned in para 2 of earlier Clearance letter dated 9th January, 2014 will remain the same.

3. The state has proposed 'fly ash' as per notification of MoEF for utilization of fly ash within 100 km of Thermal Power Stations. The State has considered lead of about 20 km for 'fly ash' but the transportation cost should not be paid to the contractors, if 'fly ash' is provided at the road construction site by thermal power plants.

Yours faithfully,

(Manju Rajpal)

Deputy Secretary to the Government of India
